

# I AM A DENTAL HYGIENIST COMMITTED TO MY COMMUNITY

99% of dental hygienists say that participating in community service activities brings them a sense of pride

## THE TOP WAYS I GIVE BACK AT COMMUNITY SERVICE EVENTS ARE:

- Providing prophylaxis and screenings
- Providing oral healthcare education
- Giving away products
- Participating in local fundraising activities
- Raising money

85% of respondents volunteer at community service events with other dental hygienists

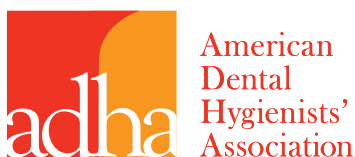

## I'M MOST MOTIVATED TO VOLUNTEER AT COMMUNITY SERVICE EVENTS BECAUSE:

- It provides care to underserved populations
- I want to give back to my local community
- It helps improve access to care

## VOLUNTEER

70% of dental hygienists participate in 1–5 community service events annually
