## **American Dental Hygienists' Association Announces Future Annual Conference Locations**

**CHICAGO, IL (June 21, 2019)** – The American Dental Hygienists' Association (ADHA) is pleased to announce its next four annual conference locations: New Orleans, LA (2020), Phoenix, AZ (2021), Louisville, KY (2022) and Chicago, IL (2023). ADHA's Annual Conference is the premier dental hygiene event in North America and features cutting-edge lectures and hands-on workshops, over 100 exhibitors, and various networking and social events.

*ADHA 2020 Annual Conference:* We are heading to the lively city of New Orleans, ranked as "The Best North American Destination" by TripExpert. Known for its historic French Quarter, bustling nightlife and diverse cuisine, NOLA is an exciting destination for everyone. ADHA 2020 will take place from **Friday, June 12-Sunday, June 14** at the Ernest Morial Convention Center.

*ADHA 2021 Annual Conference:* Join us in vibrant Phoenix, America's sunniest metropolis and sixth-largest city. Phoenix is a land of contrasts with both urban and desert scenery, providing endless opportunities for adventure. Don't miss ADHA 2021 from **Friday, June 18-Sunday, June 20** at the Phoenix Convention Center.

*ADHA 2022 Annual Conference:* We are back again in the hot city of Louisville, home of baseball, bourbon and horses. This quickly growing city has 120+ attractions and has even been named one of TripAdvisor's "Top 10 U.S. Destinations on the Rise." ADHA 2022 will take place from **Friday, June 24-Sunday, June 26** at the Kentucky International Convention Center.

*ADHA 2023 Annual Conference:* We are celebrating ADHA's 100<sup>th</sup> Anniversary of the association in our hometown of Chicago in 2023. Chicago has been at the top of Condé Nast Traveler's "Best Big Cities in the U.S." various years in a row and has a million places to visit. Celebrate 100 years of ADHA with us from **Friday, July 7-Sunday, July 9** at McCormick Place.

###

**About the American Dental Hygienists' Association:**

The American Dental Hygienists' Association (ADHA) is the largest national organization representing the professional interests of more than 185,000 dental hygienists across the country. Dental hygienists are preventive oral health professionals, licensed in dental hygiene, who provide educational, clinical and therapeutic services that support total health through the promotion of optimal oral health. For more information about ADHA, dental hygiene or the link between oral health and general health, visit ADHA at [www.adha.org](http://www.adha.org).
