What's new?

And what's still great?

New in 2018/2019

Adaptive learning: the digital test bank will guide students back to module content for added context on questions they miss

New study guide:

Revamped to offer the students a quick overview on topics in addition to a deep dive into content

Excellent features still included:

- Self assessment exam
- Digital test bank with with over 150 questions!
- 6 months of access
- Access on phone, tablet, or computer, wherever you have WiFi access
- Cohort discounts (10-20%)
