**D** Direct Supervision Levels; dentist needs to be present

P Personal Supervision: Dentist needs to authorize, be present and check prior to patient dismissal

ID Indirect Supervision Levels; dentist must authorize procedure and be in the dental office while the procedure is performed

**G** General Supervision Levels; dentist needs to authorize prior to services, but need not be present

**CP** Collaborative Practice: RDH may practice without supervision, pursuant to a collaborative agreement between the RDH and a licensed dentist

 $\bf A$  Direct Access Supervision Levels; hygienists can provide services as s/he determines appropriate without specific authorization

Multiple letters denote separate supervision levels depending on setting (Private/Public)

- 1. Rules pending
- 2. Upon direct order
- 3. On patients 18 years and older
- **4.** Public health supervision applies to fluoride varnish only
