

INTEGRATED CARE SUMMIT 2026

Friday, May 15 -
Sunday, May 17
Interlocken, CO

Integrated Care Summit: Bridging the Gaps to Whole-Person Care

Who Should Support?

The profession of dental hygiene continues to grow and evolve. Companies that promote medical-dental integration and support the development of innovative technology that affects day-to-day practice and patient care should be present as attendees revealing recent and new research findings ready for publication.
